Our roots are Italian cuisine with a modern twist. One could say - our own edition. We are one of the few restaurants in Poland where pizza dough is not prepared on yeast but on sourdough. At Primo, apart from pizza and pasta, you will taste the best quality Polish seasoned meats, fresh seafood, and cold cuts -straight from Italy.

There is a positive and friendly atmosphere at Primo, which we owe to our kind and professional team. All of this in Old Podgórze, right next to Father Bernatka bridge. As for the rest ... you'll have to see and try it yourself, it's worth it! :)
